

# ETHIOPIAN HEALTH SUPPORT ASSOCIATION

## What we do

We provide counselling, information, advice, advocacy and support on health and wellbeing to Ethiopian refugees and asylum seekers living in the UK.

## What we offer

- \* Advocacy: We represent those who have difficulties in accessing services
- \* Interpretation and translation services.
- \* Health Promotion: Producing and distributing information on health issues
- \* Outreach services: Undertaking visits to health centres, hospitals and at homes
- \* Undertake research, organising seminars and events.
- \* Facilitate the integration of members of the Ethiopian community into the host society
- \* We offer a confidential and free service.
